

DO WHAT'S GOODFORUS

The GoodForUs Mobile Wallet and Debit Card for Churches introduces a new way to access capital for Kingdom Building activities.

Elevate your church to new heights with increased giving opportunities that are flexible and has the potential to exponentially expand the reach of your ministry beyond its current scope with no extra effort.

Now you and your church members can help fund your ministry and outreach by paying bills, shopping online, shopping in store, buying plane tickets, buying school supplies and more. The more they spend, the more money GoodForUs donates to your ministry.*
